## HÔTEL DU PANTHÉON

**In a beautiful 18<sup>th</sup> century building opposite the Pantheon, one minute from the Luxembourg Gardens and the Sorbonne, the Hotel du Pantheon was completely renovated in 2001.**

The rooms are decorated in the Louis XVI style (antique furniture, period woodwork, wooden beams and traditional fabrics) but with a twist which will appeal to all hopeless romantics and anyone who has ever been to, or dreamt of, Provence. By choosing one of our superior rooms, you will have an exceptional on Paris and the Pantheon square.

The hotel bar is the perfect place for a business meeting or a quiet drink, and what could be more relaxing than a stroll around the backstreets of this historic area followed by a meal in one of the many typically Parisian restaurants. Getting to and from the hotel from the airport couldn't be simpler; there's a direct train that takes just 30 minutes to either Roissy Charles de Gaulle or Orly. All the rooms have air conditioning. All the team will have the pleasure of your company at the hotel making every effort to ensure your stay is not only pleasurable but unforgettable.
